A deal will probably be made by which J. Cheever Goodwin and Woolson Morse will devote their time to writing comic operas for the trip journey pennant-ward. St. Louis called the turn on the crowds, 8,000 being present at the game in that city. Philadelphia ended the list with 4,500. The Giants defeated the Quakers 5 to 4. Johnny Ward and his Brooslynites did good work at Baltimore, winning from the Orloics 13 to 3. The Other League games resulted as follows: "Tittsburg?", Chicinanti 5: Boston 14, Washington 4: Louisville 5, Cleveland 2: Chicago 14. St. Louis 10. It is true that the paper that holds them together now is rather loosely drawn, but with men intent on lighting the paper is strong enough. It is only designed to hold them until May 1 or thereabouts, as by that time they will be asked to sign the articles of the club before which they will appear and to put up the first deposit of the side bet. Hall and Fitzsimmons have a personal dislike for each other, stronger than that existing between any two puglists matched to fight at the present time. The consensus of opinion among sporting men is that in case the men meet the battle will be a fierce and bloody one.

A. B. George, the Manhattan Athletic Club's cross-country captain, expects to take a very good team to Fort George Saturday afternoon to run in the annual handicap or the Suburban Harriers. The Cherry Diamond cross-country runners have been doing some hard work this Spring, and expect to make a good showing in the National championship contests April 30.

The Clipper Athletic Club, of Harlem, is making a great effort to close its boxing season with a good programme at Collseum Hall April 15. There will be eight bouts between clever amateur fighters. Interest is centred in the Larkin-Leonard go.

The entries for the Spring armory games of the Twelfth Regiment Athletic Association are all in. They will be contested April 19. Secretary Leach says that he expects that the games will be the best held by the Association.

The Union Athletic Club is putting forth strong efforts to make a good showing at the various athletic games this season. President Tarrter says there is quite a large number of his men training for the track events.

The outlook is not particularly bright for the Long Island Amateur Athletic League. The League planned some time ago to hold several championship meetings this Summer. The A. A. U. has dashed the League's pros-pects by questioning its rights to exist and refusing to grant dates for games.
